METAL PLANTER 292-WS

Experience the allure of minimalism with the compact **Model 292** metal planter by Encho Enchev - ETE. Ideal for small gardens, balconies, or even indoor spaces, this model is the perfect choice for those looking to add style without sacrificing space. The metal planter is crafted from **stainless steel** and adorned with elegant vertical wooden elements. Two types of wood are available - the traditional spruce or our revolutionary product - the **eco-friendly Resysta® wood**. Developed in Germany, this wood comes with a **15-year warranty** against crack ...
