# CONCRETE PLANTER 268 L exposed aggregate

Elegantly curved concrete planter in which shape, color and texture are harmoniously combined. The flower pot is made out of high-performance concrete and an aggregate of natural marble or granite stones. The aggregate is available in different color variations of its constituent particles. Using the modern methods of processing the aggregate structure, a characteristic relief is created. A special protective coating is applied on the embossed surface. This creates even greater resistance of the product to adverse weather conditions and reduces the deposition of d ...
