## Concrete Benches 268 T seat polished, sides exposed aggregate

Concrete Bench\_Model 268-T\_ – a component of the [\_Modular Concrete Bench Model 268\_] (<https://www.etebg.net/en/category/i397/MODULAR-BENCHES.html>). It can be used both independently and in combination with the other modules of the model. The bench is made of high-strength fiber-reinforced concrete with a homogenous aggregate structure. The aggregate particles have a defined size and can be combined in various color combinations defining the primary textures: white, speckled, grey, or brown. The seating area is polished, while the sides have a subtle embossed s...
