RECTANGULAR CONCRETE PLANTER 78 exposed aggregate

Rectangular, concrete planter, in which shape, color and texture are harmoniously combined. The optimal ratio between height and length is complemented by several delicate, decorative channels that give individuality and style. The flower pot is made out of high-performance concrete and an aggregate of natural marble or granite stones. The aggregate is available in different color variations of its constituent particles. Using the modern methods of processing the aggregate structure, a surface with a characteristic relief is created. A special protective coating i ...
