METAL PLANTER 299-WR

The metal planter model 299 represents the pinnacle of luxury and style. The combination of a high-quality stainless steel structure with vertical wooden elements made of ecological Resysta® timber creates a product that is timeless. Developed in Germany, this timber comes with a _15-year warranty_ against cracking and delamination, provided by the timber manufacturer. The planter is also available in a variant with traditional spruce wood. Premium protective coatings on the wood guarantee long-lasting durability. This unique planter is a true throne for your bot ...
